1. D/GC is planning to publish in October an enlarged version of the USSR-Terrain map, number 13983.1, for use as a presentation or wall reference map. (Unclassified)

2. The map will be printed in two sheets, each approximately 30" x 40" with $\frac{1}{2}$ " overlap in the center (40" x 60" paper size). It will be in full color and will show terrain, selected rail lines and cities, and internal boundaries. (No roads will be shown since they would require immediate compilation time.) The scale of the map will be 1:6,000,000. Countries adjacent to the USSR will be shown and named.

3. This map will carry a new map number, 28229, Sheet 1 and Sheet 2.
